

## Skip Service

The Skip Service is one of the most flexible collection services for heavy or bulky waste and recyclables.

### Material types collected include:-

- Industrial and Commercial Wastes
- Construction Wastes
- Wood
- Cardboard
- Recyclables (paper, cardboard, tins, plastic)

### Main benefits:-

- Prompt Next Day Service
- Flexible Collection Schedules to suit your requirements

### Container options:-

- Open Skips
- Open Skips with Drop Front Door (to allow barrow loading)
- Fully enclosed with locking doors

### container specifications (for guidance, sizes may differ between manufacturers)

| cubic yards | cum  | height (m) | width (m) | depth (m) |
|-------------|------|------------|-----------|-----------|
| 4           | 3.05 | 0.87       | 1.29      | 1.83      |
| 8           | 6.11 | 1.22       | 1.68      | 3.66      |
| 14          | 10.7 | 1.6        | 1.84      | 4.2       |
